

Event Agenda

Title:

Empowering Tomorrow: Transition Skills for Social Economy

Date:
11 December, 2025

Time:
09:30 - 15:00 (CET)

Location:
Rue des Deux Églises 14,
1000 Brussels (1st floor),
hybrid format

Description

The final event of **the SETS Project** will showcase the key results of our work on equipping social economy organisations with the green and digital skills needed for the future. The programme includes presentations from project partners on **skills gap analysis, training development, piloting, certification, and impact assessment**, followed by an open discussion, networking, and opportunities for the future. The event will be held in a **hybrid format**.
